Great men think hard about everything. They try to solve many of our problems. When thinking about the things, they don't think about everyday life. So they forget to eat and drink for some times .They are not like many of us because they are always busy doing something for the whole world not just for their countries.

31. When don't they think about everyday life?
32. Do you like to be like them ? why?
33. They like to think about their problems. True / false
34. They think like many of us. True / false
